Skills certificate

No. 618625017343628128

Morgane Marolleau Arbouz

On 28 October 2025

FOCUS | Relying on AI to analyze data

- Leverage AI to process and analyze simple data without specialized expertise in data science
- Clean and organize data using AI while respecting best practices in confidentiality
- Formulate queries for data extraction, transformation, and loading
- Use AI to generate basic insights and visualizations from data

Certificat de compétence - Certificat de compétence - Unow.fr - Organisme de formation n° 11 75 53265 75

Simon Timssale
Expert

Léna Leparoux
Head of training
